

1 INT CLASSROOM-NOON

1

Students come to class before the bell rings, then the bell rings.

TEACHER

Ok, class! lets begin to the test.  
(cheery)

The students act sadly

TEACHER

After the test review of course.  
(normal)

The teacher starts the review guide for the test then the camera shoots Alex as he falls asleep.

2 EXT DREAMY WOODS- MORNING

2

Alex opens his eyes as he wakes up in a magical forest. He is confused of where he is, and he hears rustling from the bushes. A monster ambushes Bob and chases him. Alex manages to hide behind a tree and falls into a hole. A light from above is shined upon him. It is a fairy, but not just an ordinary fairy. The fairy introduces herself.

MATH FAIRY

Hello young one, I am a fairy who lives in this very woods. Who might me you be?

ALEX

Uh my name is Alex, what is that rip off big foot with paper attached to him.

MATH FAIRY

Oh that thing? Yeah that's just a math monster. It wants eat you.

ALEX

Well what can I do about it, how do I get rid of it.  
(panicked)

MATH FAIRY

Oh pff that's not hard at all!. You just have to cast the solving spell on the papers attached to it. If you get it wrong it gets bigger and more hostile, but if you get it right it becomes smaller and unable to harm you, young one.

ALEX

How do I "Cast the solving spell"  
thing?

MATH FAIRY

Here use these. A magic wand and this  
antique wizard device to guide you to  
the answer.

ALEX

Isn't this just a calculator?

MATH FAIRY

No.

\*said the math fairy with a straight face\*.

MATH FAIRY

Alright young one let the magic lesson  
begin!...

3 EXT DREAMY WOODS- MORNING

3

Alex steps out of the hole behind the tree and starts looking  
for the monster behind the trees, but the monster was already  
behind Alex. Alex turns around and the monster was staring at  
them with two black holes like eyes.

ALEX

Uh...hey...I was looking for  
someone...else, another monster  
wood...guy...yeah.

THE MONSTER KEEPS STARRING AT ALEX

ALEX

*Aight* I'ma bounce...that way

ALEX TURNS AROUND AND STARTS WALKING SLOWLY, THEN THEY NOTICE  
THE MONSTER IS FOLLOWS THEM AT THE SAME PACE, ALEX NOTICE AND  
WALKS FASTER. THE MONSTER STARTS GOING AT THE SAME PACE. ALEX  
STARTS RUNNING DESPERATELY AND FINDS ANOTHER HOLE. THE MATH  
FAIRY SPAWNS WITH THEM.

MATH FAIRY

You done?! That was quick, young one!

ALEX

Um... not really

MATH FAIRY

Oh...why not? did it had an obstacle I did not thought you how to solve?-*I doubt it...*

ALEX

I didn't get to see the actual sheets in his body.

MATH FAIRY

Really?! That monster didn't have any paper around it?! Weird, I never hear of...

ALEX

No!

ALEX INTERRUPTED

ALEX

It had every math problem but...I don't know what happened! I think I got nervous or something.

MATH FAIRY

Oh young one, there's nothing to fear, you know everything you need to know.

ALEX

Why don't you help me?? Y-you already seen this... thing before right? com'on help me out a bit

MATH FAIRY

What are you talking about? are you serious? *I AM* helping you out! *Uhmp!*

THEN THE MATH FAIRY FADES AWAY INDIGNANT

ALEX

Were did you go? Magical Math Fairy?? Oh wow I guess is just me now.

4 TEXT DREAMY WOODS- AFTERNOON

4

AFTER REALIZING ALEX WAS LEFT BY THE MATH FAIRY, ALEX TOOK A DEEP BREATH AND SAID

ALEX

*Aight* I guess I have no choice then...

ALEX CLIMB OUT OF THE HOLE, AND LOOK FOR THE MONSTER AND AS EXPECTED, THE MATH MONSTER WAS BEHIND THEM LIKE LAST TIME AND THAT JUMP-SCARED ALEX.

ALEX

Whoa! Stop doing that please!

The monster STARED and Alex got HYPNOTIZED by the monster but then Alex broke from the hypnosis. Then Alex took the magic calculator and the magic wand pencil to start solving the math problems in the math monster, while the monster was trying to reach Alex slowly to the monsters mouth.

ALEX

One to go!

Alex solved the first problem

ALEX

Two to go, one left!

After solving the second problem the monster began to act aggressively and wrote a hard problem, making Alex nervous, but then Alex manage to solve it.

After solving the last problem the monster turned into one piece of paper.

MYSTERIOUS VOICE

Is everything clear class? If that's so lets begin with the test

5 INT MATH CLASSROOM-NOON

5

Alex wakes up Abruptly, confused and sweating.

The camera shows the math teacher face, that casually looks like the math fairy from before. The math teacher hand the test.

MATH TEACHER

Are you ready for the test Alex? This  
one is not as terrible as you might  
think, well, not this time.

Said the math teacher joyfully. The audience is able to see  
that the test has the same math problems as the math monster.  
Then it cuts to Alex's eyes. Then a wide back shot of them  
answering the test. Then it cuts to the end.
